Crying baby

A mother and father just had a beautiful baby boy and were feeling truly happy after the delivery. The mother had wanted a baby for a long time and was mother had wanted a baby for a long time and was beaming with joy when she left the hospital with her little bundle. The mother and the father sang on their car ride home while their little baby slept and slept. The mother and father could not wait to get inside their home and hang out with their new family member. Being new parents, the mother and the father had not experienced all the ups and downs of

As soon as the couple walked past the front door,

They almost instantaneously heard "WAAAAAAAAAAAA"" The mother and the father looked at each other in dismay. The mother and father thought the baby might be hungry and tried giving him a bottle, but all they heard was "WAAAAA!" They thought the baby may need a diaper change. After changing the diaper all they heard was

After changing the diaper, all they heard was "WAAAAAAAAAAA!" The couple gave the baby a pacifier, and the baby continued bawling for the next few days. The mother and father were in a daze and growing very exhausted from all the

having a new baby in the home.

they almost instantaneously heard
