comprehension PASSAGES WITH QUESTIONS

5 PASSAGES
FOCUSED ON:

THE Marathon

LIST OF CHARACTERS:

Brittany: A girl determined to run a marathon
Lana: Brittany's friend
Marsha: Brittany's sister
Dusty: Marsha's husband

[Brittany and Lana have just completed a four-mile run and were discussing wanting to join a marathon. Brittany is all in, but Lana is unsure. Both of the girls are on the track near school. As they round the corner, Marsha and Dusty are stepping out of the car when they have dinner at Brittany and Marsha's parents' house.]

SCENE 1

Marsha: Hey, Brittany and Lana!

Dusty: Hi, Britt and Lana! [giving the girls a high five]

Brittany & Lana: Hi! [the girls say simultaneously while trying to catch their breath]

Marsha: I'm starving. I hope that mom has dinner made.

Dusty: Me, too! What's new with you guys?

Brittany: Well, Lana and I were just discussing joining the marathon. It's a 26-mile run and I have always wanted to do it!

Lana: Me, too! [sounding reluctant]

Dusty: No way! I was just telling Marsha that I wanted to get back into shape. That would be the perfect way.

Brittany: Let's sign up!

Lana: Well, if he runs with you, Brittany, I may just stand on the sideline and cheer you on. I'll make you the biggest poster.

Marsha: That sounds like a plan, Lana! I will be your partner in that one.

Dusty: Ok, I'm in, Brittany. I will sign up when we get home from dinner tonight.

Brittany: Perfect! Me, too!

[Everyone walks inside to go to dinner.]
