

Victoria went to a special ballet school quickly progressed through the classes. Vivilth a ballenna's Rigure. She was tall and le 2 strand on her toes. Victoria was a natural cithere was one problem Ballenna were expoised and quiet at school. Victoria was qui she bused to nanchi school. She loved to crack jokes, make the other laugh, and pull pranks on her teacher Mrs.

Mrs. Everly, a former ballenina herself-grace and poise. Mrs. Everly was often an Victoria's behavior in class. She would say of you will never make it into the real ballet!" raised to always be herself, often shrugge teacher's words. One day, Mrs. Everly anno

Name:

Meg was the oldest sister of three girls. Meg was 12, Jenny was 8, and June was 6. Meg's sisters always copied what she was doing, and it drove Meg crazy. They would listen in on her phone calls, borrow her clothes without asking, and would try to hang out with her friends. Meg would tell her mom how annoying her sisters were, but Meg's mom never did anything about it. "They just look up to you," her mom would state. "You are the apple of their eyes," she would continue. One afternoon after school, Meg invited her friend Mindy to come over so they could hang

They had just gotten off the bus and went immediately to the pantry to grab a snack. "You never told me what happened today at school with that guy," Meg told Mindy. Just then, Meg looked over her shoulder to see Jenny and Just 1 men, Meg Jourge over the stollater 10 see Jernly und June Istering infrently in the hallway. "Ugh, you guys are so chonoxious," Meg rolled her eyes. "Just go away," Meg told Mindy they could Anish their snack and go up to her room to talk in private. They Anished rolding the pantry and had their snacks and soda in tow as they climbed the stairs to Media progre.

Meg and Mindy went straight to her room, and Meg looked outside her door to make sure that her sisters were nowhere in sight. Meg closed the door, and the friends sat down on her bed. The two friends gabbed, ate, and

Annie took a deep breath as she boarded the aircraft. She had been nervous for weeks about the flight, but she knew that her grandmother needed her to come. Annie looked around to see if any of the other passengers looked Trightered on if it was just her. She Found her now, canefully placed her bag in the overhead on onpartment, so in her seat, and buckled her safety belt. After what seemed like just a few minutes, the plot came on and told the travelers to get ready for take off. Annie felt like everything would be ok on the flight, but she was still nervous. It had been a few months after the terrorist attacks of September II, 2001, but Annie remembered it like it was yesterday.

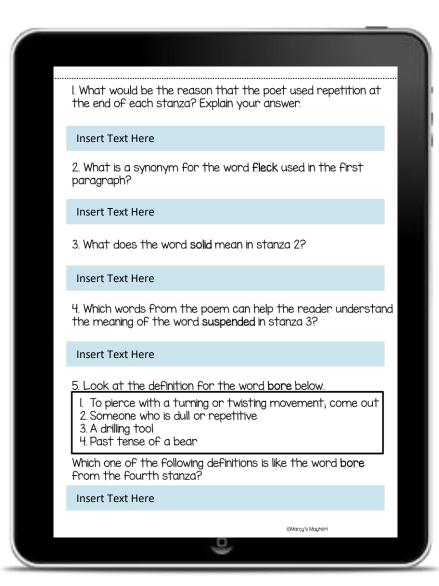

It was a Tuesday morning in September, and Annie was walking home From her morning English class at the college campus Annie Iwed on a steep till with her roommate Macey in the quaint frown of San Marcos. Annie loved to walk for class, especially in the morning so that she got to exercise. The scenerry was beautiful. Annie was walking back up the hill and was going to make some breakfast before her next class.

Annie turned the key, walked in the door, and saw Macey sitting on the couch with the remote in her hand. Macey was sitting very still and staring at the TV. Her mouth was open,

hilly, and Mrs. Spelling were all Fifth grade. Mrs. Braman taught t science. Mrs. Spelling taught math. Iman had just finished teaching the structed her students to go back lreading. Her students had just ad were all nose-deep in their texts

alking around the room, talking with books. She noticed that one of her the air and a puzzled look on her ed up to Jada and asked her what n, there is a mouse in the Mrs. Braman quickly turned to the mouse poking its head out of the rm her students, she motioned Jada her finger over her lips. Mrs. ut of the classroom and into Mrs. elling," said Mrs. Braman, "I need you bucket." The two teachers met in while Mrs. Braman filled her in on noticed them talking and went to going on. They decided that all of o Mrs. Frilly's classroom. Mrs. I would get the reading rodent out
