INVENTORS FOR STUDENTS TO  
RESEARCH AND PRESENT  
GREAT FOR GROUPS OR INDEPENDENT WORK

# U.S. INVENTORS FOR STUDENT RESEARCH

  
ALBERT EINSTEIN

Date of Birth and Death

What was their childhood like?

What invention is this person best known for?

How did this invention impact the United States/World or both?

Did this inventor succeed on their first try? How many times they try to make their invention?

  
HENRY FORD

Date of Birth and Death

What was their childhood like?

What invention is this person best known for?

How did this invention impact the United States/World or both?

Did this inventor succeed on their first try? How many times they try to make their invention?

FUN FACT:

  
MARIE CURIE

Date of Birth and Death

What was their childhood like?

How did this invention impact the United States/World or both?

Did this inventor succeed on their first try? How many times they try to make their invention?

FUN FACT:

  
STEVE JOBS

Date of Birth and Death

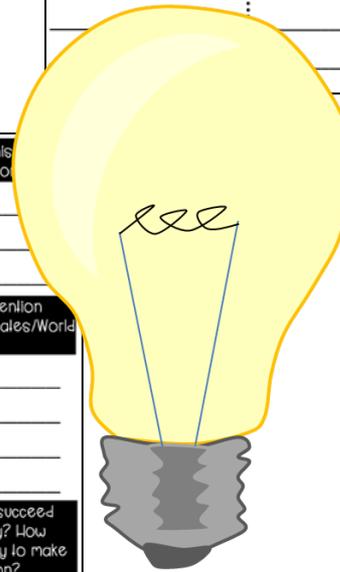

What was their childhood like?

What invention is this person best known for?

How did this invention impact the United States/World or both?

Did this inventor succeed on their first try? How many times they try to make their invention?

FUN FACT:

Print & Do Activity
